

HAZEL JACKSON BIOGRAPHY**HAZEL JACKSON**

Hazel founded Biz Group in 1993 to offer business and Human Resources solutions to Middle East businesses, including tailored training and development services, innovative and quality teambuilding experiences, and the facilitation and execution of effective growth strategies.

Renowned for her high-energy business savvy, she is the longest-standing Four Decisions® Certified Coach in the region, bringing her clients global best practices for organizational transformation through the Four Decisions®. She has also worked with many of the world's foremost management consultants.

A dynamic and commercially-minded CEO and consultant, Hazel has facilitated strategic workshops for a wide cross-section of organizations, working with senior management teams from companies such as Dubai Silicon Oasis Authority, Armada Distribution, Setcore Petroleum and THE One, to name a few. She has built up Biz Group as a driver of business success through people performance, working with leading major corporations and government entities.

Executive Summary

Hazel Jackson is the co-founder and Chief Executive of Biz Group, the leading corporate training, teambuilding and organizational transformation company in the Middle East. She has access to a global team of business coaches and attends international summits to ensure she delivers global best practices for the Middle East business audience.
