

PETER BRAEULER BIOGRAPHY**PETER BRAEULER**

As a Senior Four Decisions® Certified Coach, Peter brings his clients more than 30 years of experience as a business leader and executive in the financial services and insurance industries.

He has served on leadership teams for sales, service, project management, workforce planning and growth management and has run two businesses of his own.

As coach, he serves as the business owner's GPS, guiding his clients in improving performance and execution to meet their goals. He helps CEO's and business owners deal with issues and challenges to maximize top-line revenue and drive bottom-line profits. He works with top executives and business owners to solve problems, eliminate blind spots and help them realize business and personal aspirations.

Peter applies the Four Decisions® methodology to his work with company executives, targeting the specific needs of the organization and the challenges they face. He focuses on creation of a plan, building the leadership skills of the executive team to generate action, and execution of the strategies developed.

Executive Summary:

Peter Braeuler is President and Founder of Blue Sky Leadership Consulting. His leadership experience began when he served as an officer in the U.S. Army and continued with a career in a Fortune 500 Financial Services Company. He has been serving CEO's, business owners, and leadership teams for the past 10 years helping leaders lead and leadership teams execute to improve and grow themselves and their companies.
