

**NICOLAS HAUFF** BIOGRAPHY**NICOLAS HAUFF**

Nicolas brings clients more than 25 years of experience as an entrepreneur and advisor in the areas of information technology and business training.

Having been through successes and struggles in his own entrepreneurial path, Nicolas has a huge passion for candidly sharing his knowledge and experiences with other business owners to help them avoid the most common pitfalls and to thrive as entrepreneurs.

He has established partnerships with some of the most respected international thought leaders and their organizations and has provided hundreds of entrepreneurs with the tools for growth in their personal and business lives.

Born and raised in Mexico City from a German father and a British-Austrian mother, he has a multinational background, is fully trilingual, and has traveled extensively for business, education, and pleasure. Nicolas is an avid learner; he enjoys reading, connecting with people, traveling, and regularly attending international workshops and conferences

**Executive Summary**

Nicolas Hauff is the co-founder and managing director of Solver, the leading provider of complete Business Intelligence solutions for today's mid-market enterprise. He is a Four Decisions® certified business coach and marketing partner, the author of *The Three Challenges* and an actively involved member of the world-renowned Entrepreneur's Organization. Nicolas is also a co-founder and shareholder of Krezko, a coaching firm for small businesses, that remotely delivers the well-known EMyth, Pumpkin Plan, and Profit First programs in Spanish.
