

MIKE JOSEPH BIOGRAPHY**MIKE JOSEPH**

Mike is a big picture individual who loves connecting with people. Working with teams to develop short and long-term strategy is a core competency. He has a broad network of contacts in and out of multiple industries, both local and international. His experience lies in mid-size entrepreneurial firms with a focus on growth, leadership and building world- class cultures.

Over the past 20 years, Mike has built, owned and operated 25 hospitality-related businesses. He has extensive experience in sales and marketing strategy, c-level operational expertise, project development/financing and crisis management.

Authentic, dynamic, comedic, and intuitive, he is also impatient, impulsive and self-deprecating. Self-awareness is front and center for Mike. Accountable and organized, he is a public speaker, avid student, and always looking to find a better way.

In his free time, Mike enjoys travelling to interesting new places, cooking for friends and family, drinking red wine and smoking the occasional cigar.
